Cordless Drill

**TP-CD 18/50 Li BL-Solo**

**Item No.: 4513887**

Ident No.: 21021

Bar Code: 4006825644838

As a member of the Power-X-Change series, the Cordless Drill TP-CD 18/50 Li BL Solo is always ready for action – the Li ion batteries in the system series resist the otherwise typical self-discharge. All the battery packs in the system series can be combined with the drill. The brushless motor delivers more power and longer running times, while the 2-speed gearing ensures fast driving and powerful drilling. Thanks to the electronic speed control, the power of the tool can be finely controlled – ensuring just the right power for each material and application. The ergonomic design and soft grip provide easy handling and a firm, secure grip. The LED light provides a perfect view of the working area.
