Woodworking Lathe

TC-WW 1000/1

Item No.: 4312110

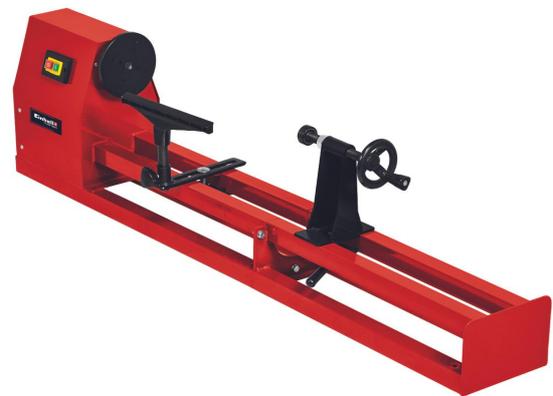

Ident No.: 21022

Bar Code: 4006825633924

The Einhell TC-WW 1000/1 lathe is the perfect tool for joining the world of woodturning and for achieving fine results on wood and soft materials. The extra-powerful 350 W motor provides plenty of reserves even for longer work sessions. The tool support is easy to adjust for the desired turning work and the tailstock with spindle tip serves as a second element for securing the workpiece. The construction is torsion-resistant thanks to the double guide frame, and the maximum turning diameter is 280 mm and the maximum tip width (workpiece length) is 1,000 mm. For the ideal speed for each material there are four adjustable speed settings (890/1,260/1,760/2,600 rpm). A front end driver and face plate are included.

Features & Benefits

- A front end driver and a face plate are included in the package
- Easy to adjust tool support for exact turning work
- Tailstock + spindle tip as 2nd element for securing the workpiece
- Torsion-resistant construction thanks to the double guide frame
- 4 speed settings for setting the ideal speed for the material
- Powerful 350W motor with higher reserves for longer work sessions

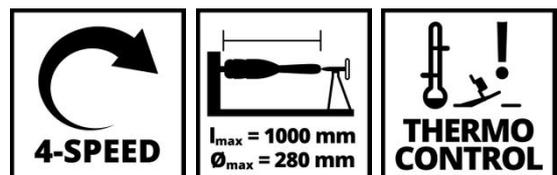

Technical Data

- Mains supply	230 V 50 Hz
- Power	350 W
- Max. turning diameter	280 mm
- Spindle length	1000 mm
- Spindle speed	890 1260 1760 2600 min ⁻¹

Logistic Data

- Product weight	22.86 kg
- Gross weight single packaging	25.57 kg
- Dimensions single packaging	895 x 228 x 385 mm
- Pieces per export carton	1 Pieces
- Gross weight export carton	25.57 kg
- Dimensions export carton	895 x 228 x 385 mm
- Container quantity (20"/40"/40"HC)	384 768 780
