Bench Grinder

TC-BG 150 B

Item No.: 4412634

Ident No.: 21011

Bar Code: 4006825667110

Thanks to its high-performance 350 W motor, the Einhell double-wheel grinder/sander TC-BG 150 B is well prepared for all manner of grinding and sanding jobs. The large work supports are adjustable. The shaft is mounted on ball bearings to enable precision operation with zero play. Safety is provided by guard hoods which are closed at the sides. Four rubber feet provide reliable, low-vibration stability. Spark guard windows can be adjusted without any tools. A compact construction made of robust metal points to a long service life. It comes with a coarse grinding wheel (K36) and a brush wheel. It can be used therefore not only to carry out major shape adjustments but also to produce new surface finishes including polishing and sharpening.

Features & Benefits

- Powerful 350 W motor for a wide range of grinding jobs
- Large adjustable work supports for a wide range of applications
- Adjustable spark guard windows, with no need for any tools
- Robust and compact metal structure for a long service life
- Zero-play ball-bearings for precise operation
- Guard hoods which are closed at the sides for safe operation
- 4 rubber feet for standing securely and with low vibrations
- Includes coarse grinding wheel (K36 & brushed wheel)
- For repairs, adjustments to shape + new initial grinding/sanding
- But also polishing and sharpening work
