Electric Pole Hedge Trimmer

GC-HH 9046

Item No.: 3403880

Ident No.: 21011

Bar Code: 4006825666663

For the Einhell Electric pole hedge trimmer GC-HH 9046, high hedges are no challenge thanks to the 46 cm sword length and 41.2 cm cutting length. The 1.97 m device length can be extended to a total length of 2.6 m. Thanks to the 20 mm tooth spacing, thicker branches are no problem for the laser-cut and diamond-ground blades. In order to work optimally from different angles, the cutting attachment can be inclined in 11 positions. The rear handle can also be rotated for vertical and horizontal cuts. Softgrip surfaces and the adjustable carrying strap ensure comfortable handling. A quiver to protect the blade during transport and storage is included.
