**Bench Drill**

**TC-BD 630/1**

**Item No.: 4520597**

Ident No.: 21012

Bar Code: 4006825668476

The Einhell bench drill TC-BD 630/1 is a precision tool for ambitious DIY enthusiasts. Due to the extra-large throat of 126 mm, large workpieces made of wood or metal can be reliably provided with pinpoint holes. With 630W power and 12-step speed adjustment from 250 to 2,400 rpm, material-appropriate and precise drilling is possible. The bench drill can thus be used at a very low as well as at a very high speed and is excellently suited both for hard materials such as metal, but also for soft material such as wood. Precise drill holes up to a maximum drilling depth of 60 mm are possible thanks to the adjustable depth stop. The bench drill is equipped with a robust sprocket chuck and an MK2 socket, which allows the use of Morse taper drills.

## Features & Benefits

- Powerful, quiet and maintenance-free induction motor
- 12-position variable speed for material-specific work
- Robust gear rim chuck 1.5-16 mm for common drill bit sizes
- Flexibility thanks to MK2 holder for Morse taper drill bits
- Adjustable depth stop for precise drilling, even in series
- Height-adjustable, tiltable and rotatable drill table
- Extra-large throat for machining large workpieces
- Ball bearing mounted drill spindle for long-life operation
- Three-arm turnstile for fine power control
- Sturdy steel base for a secure stand of the machine
- Folding chip guard for high safety and good visibility
- On/off switch with zero-voltage release for added safety

## Technical Data

- Mains supply	220-240 V   50 Hz
- Power	630 W
- Max. power (S2   S2time)	630 W   15 min
- Spindle speed	250 - 2400 min <sup>-1</sup>
- Number of speed steps	12 settings
- Drill table tiltable	-45 ° - +45 °
- Drill chuck mount	B16
- Drill diameter	1.5 - 16 mm
- Throat	126 mm
- Max. drilling depth	60 mm

## Logistic Data

- Product weight	19.4 kg
- Gross weight single packaging	21.41 kg
- Dimensions single packaging	700 x 425 x 260 mm
- Pieces per export carton	1 Pieces
- Gross weight export carton	21.41 kg
- Dimensions export carton	690 x 410 x 262 mm
- Container quantity (20"/40"/40"HC)	344   712   801
