Submersible pressure pump

GE-PP 1100 N-A

Item No.: 4171430

Ident No.: 11016

Bar Code: 4006825622294

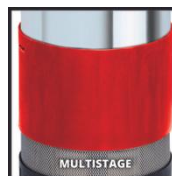

The Einhell GE-PP 1100 N-A submersible pressure pump with auto function is a powerful and rugged helper for transferring clean water from rainwater cisterns, shafts, wells & water reservoirs. A maximum delivery height of 45m is possible with an immersion depth of up to 12m. A power rating of 1,100W enables a max delivery rate of 6,000 l/h in continuous mode. Plenty of attention has also been paid to safety with a dry running protection and overload switch. For ruggedness there is a pressure connector with a stainless steel insert and a high-grade mechanical seal. 4 impellers generate extra high delivery pressure. The housing is made of rust-proof stainless steel. The 33.3 mm hose connection (1" female thread) is easily accessible on the top

Features & Benefits

- Automatic function
- Dry running protection
- Robust pressure connection with stainless steel insert
- Multi-stage pump wheels for high working pressure
- Pump housing made of rust-proof stainless steel
- High-quality mech. seal for a long working life
- Easily reachable hose connection on the pump's topside
- Overload switch

Technical Data

- Mains supply	220-240 V 50 Hz
- Power	1100 W
- Max. delivery capacity	6000 L/h
- Max. delivery height	45 m
- Max. immersion depth	12 m
- Max. water temperature	35 °C
- Hose connection	33,3mm (R1 IG)
- Power cord	15 m H07RN-F

Logistic Data

- Product weight	8.7 kg
- Gross weight single packaging	11.4 kg
- Dimensions single packaging	260 x 210 x 570 mm
- Pieces per export carton	1 Pieces
- Gross weight export carton	11.42 kg
- Dimensions export carton	530 x 260 x 215 mm
- Container quantity (20"/40"/40"HC)	840 1760 1936
