The Einhell drywall sander TC-DWS 225 is the perfect partner for renovation work with an output of 1220 watts. Equipped with a 4 m long power cable, two softgrip handles, an integrated dust extraction system with dust collection sack and a spring-mounted sanding plate with removable brush rim edge, the drywall sander is the ideal helper for DIY. The 6 sandpapers supplied allow a quick start and an easy sandpaper change thanks to the hook and loop fastening on the sanding disc. Depending on the area of application or material, the rotation can be adjusted with the help of the speed electronics.
