Sliding Mitre Saw

TC-SM 2534/1 Dual

Item No.: 4300395

Ident No.: 21022

Bar Code: 4006825644890

The Einhell TC-SM 2534/1 drag, crosscut and mitre saw is ideally equipped for a whole range of jobs. The high-grade carbide saw blade with 48 teeth also cuts through wide workpieces thanks to its smooth and stable draw function. For exact angular cuts the turntable has a precise angle adjustment facility with locking positions for the most common angles. Also, the saw head can be tilted to the left and right for mitre cuts. All the angle scales are easy to read. The mains-powered laser is an enormous help when working and the dust funnel behind the saw blade removes the sawdust much more effectively.
