TC-AC 190/50/8

Item No.: 4007332

Ident No.: 21043

Bar Code: 4006825651720

The Einhell compressor TC-AC 190/50/8 serves up the pressure you need on all DIY jobs. Oil lubrication ensures a long life. There is a window where you can check the oil level. A 10-year warranty is provided against perforation corrosion of the tank. The 50 l tank offers sufficient air reserves. Many applications up to 8 bar can be set using the pressure regulator. A pressure gauge and quick-release coupling for regulated pressure are included. The unregulated pressure can be read off the pressure gauge. For safety there is a non-return valve and a safety valve. A drainage screw enables maintenance. For mobility the compressor has rubber wheels and a carrying handle, while vibration during use is reduced by a foot with rubber pad.
