Item No.: 4345310

Ident No.: 21023

Bar Code: 4006825615029

The electric planer TC-PL 750 is a powerful hand-held planer for jobs with a chip depth of up to two millimeters. For optimum results in one go it has a large knife shaft. The integrated automatic park rest provides safe parking and protects the workpiece against unintended damage. The solid aluminium soleplate helps the user to achieve flat results. The ergonomic handle fits securely in the hand and enables the hand-held planer for working without fatigue even when working on demanding projects. The soft grip also permits safe and user-friendly handling. Included in the delivery are a parallel and a rebate depth guide as well as a carbide planing knife (reversible).
