Rotary Hammer

**TE-RH 32 E**

**Item No.: 4257940**

Ident No.: 21043

Bar Code: 4006825591309

The TE-RH 32 E hammer drill with pneumatic hammer action is a high-quality and extremely versatile powerhouse for experts, which is indispensable on challenging building, renovation and chiseling jobs. This all-rounder is equipped with all four functions needed for universal use: hammer drilling, drilling, and chiseling with and without chisel lock. The SDS-Plus chuck enables drill bits and chisels to be changed quickly without tools.

## Features & Benefits

- Hammer drill with pneumatic hammer action for very good drilling
- Universal SDS-plus tool chuck
- 4 function:drilling/hammer drilling/chiseling with/without fixing
- Press-control: visualizes the optimum pressure
- Speed electronics for smooth initial drilling
- Low vibrations thanks to vibration-absorbing main handle
- Soft grip inserts also have a vibration-absorbing impact
- 2 status LEDs: ready for operation and service (brush wear)
- High-grade components for prolonged operation
- Aluminium gear head - light but robust
- Overload slip coupling for safety
- Infinitely adjustable drilling depth stop made of solid metal
- Additional handle with ribs for secure fastening
- Delivered in a practical case

## Technical Data

- |                                 |                          |
|---------------------------------|--------------------------|
| - Mains supply                  | 230 V   50 Hz            |
| - Power                         | 1250 W                   |
| - Idle speed                    | 0-850 min <sup>-1</sup>  |
| - Impact rate                   | 0-4100 min <sup>-1</sup> |
| - Impact power                  | 5 J                      |
| - Tool holder                   | SDS-plus                 |
| - Drilling capacity in concrete | 32 mm                    |
