The Einhell TC-TS 254 eco bench-type circular saw is designed for exact sawing work on workpieces made from wood, coated panels, plastics & boards. The height and angle of the saw blade can be quickly adjusted thanks to the 2-in-1 adjuster. For clean work results there is an improved parallel guide and an angle stop for mitre cuts. The base frame provides a comfortable working height (870 mm) and a steadily standing position. For optimum cuts it is equipped with a carbide-tipped precision saw blade. The push stick ensures safe operation, while the housing and also the saw blade cover with chip extractor connection is for keeping the workplace clean. There is a holder on the bench-type circular saw for holding the included tools.
