The Einhell 18 V 3.0 Ah SEALED Power X-Change PLUS is part of the versatile Power X-Change battery system from Einhell. The SEALED battery is waterproof and dustproof to IP57. The integrated short-circuit protection detects contact with water and switches off the electronics. The battery can be used again once it has dried. With state-of-the-art lithium-ion cells, it offers 100% more power, a 13% more compact design and a 10% lower weight. The battery does not suffer from the memory effect or self-discharge. The ABS battery management system monitors parameters and ensures safety. The housing resists corrosion and impacts. A recessed handle makes it easier to remove from tools. Charger not included.
